WITHHOLDING NOTICE

Payments from your IRA are subject to Federal Income Tax withholding unless you elect not to have withholding. If you do not check the Federal "No withholding" election box, Federal withholding will be taken from your payment. You may change your withholding election at any time prior to a disbursement.

Withholding from IRA payments, when combined with other withholding, **MAY** relieve you from payment of estimated income tax. However, you may still be responsible for payment of estimated tax even if you elect to have withholding from these payments. You may incur penalties under the estimated tax rules if your withholding and estimated tax payments are insufficient. The amount of Income Tax you pay is not affected by your withholding decision.
