#### How Long Will the Penalty APR Apply?
If your APR(s) is increased for the reason stated above, the Penalty APR will apply until you make six consecutive minimum payments when due.

#### How to Avoid Paying Interest on Purchases
To avoid an additional interest charge on the balance of purchases and balance transfers, you must pay the entire balance on the billing statement by the payment due date of that statement or 25 days from the statement closing date listed on that statement, whichever is longer. You will be charged interest on cash advances beginning on the transaction date.

#### Minimum Interest Charge
If you are charged interest, the charge will be no less than $1.00.

### How Alliant Calculates Your Balance
Alliant uses a method called Average Daily Balance, which includes new purchases, cash advances, and balance transfers. See the Finance Charges section in the Alliant Cashback Visa Signature Card Agreement for details.

### Billing Rights
Information on your rights to dispute transactions and how to exercise those rights is provided in the Billing Rights section of the Alliant Cashback Visa Signature Card Agreement.

Your Annual Percentage Rate (APR) may vary quarterly and is based on the Prime Rate. Your APR is determined by adding a margin of: 8.99%-18.99% on purchases and balance transfers, 16.99%-20.99% on cash advances, and 21.99% on Penalty APR to the Prime Rate for the Alliant Cashback Visa Signature Card. The Prime Rate Index used to determine your APR is the highest rate published in The Wall Street Journal during the last business day of the previous calendar quarter (March, June, September and December), and changes are effective as of the first day of your next billing cycle. Any increase in the prime rate may increase your interest and minimum payment. (See the Alliant Cashback Visa Signature Card Agreement for complete details.)

Introductory rate and incentive offers, including cash back, are not available to those members who had an outstanding balance on a closed Alliant Visa credit card account and/or had an Alliant Visa credit card within the last six months. If you are in an introductory rate promotion period, you are not eligible to transfer Visa accounts until the introductory rate promotion has expired.

### ALLIANT CASHBACK VISA® SIGNATURE CARD PROGRAM SUMMARY
Alliant Cashback Visa Signature Card Agreement Summary: Your APR is based on meeting Alliant Credit Union’s criteria for creditworthiness. Alliant will review your credit and employment history and any other information permitted by law to process your application. The credit line on this account will be determined after a review of your application by Alliant and will be based on various factors, including income. The minimum approved credit line is $10,000. Alliant maintains the right to not open this account if: a) the information provided is incomplete, inaccurate or cannot be verified, or if you do not meet Alliant’s standards for creditworthiness; b) your name and/or mailing address on the credit application have been altered; c) the income you reported on the application is insufficient to support the opening of this account; or d) you do not meet Alliant membership eligibility requirements. You have the right to review your credit history by contacting the credit reporting agencies.

Change in APRs, Fees and Other Terms: Alliant may change the APRs, fees and other terms of your account at any time in accordance with applicable law, the Alliant Cashback Visa Signature Card Agreement and the Alliant Cashback Visa Signature Card Program Terms & Conditions (Program) available at www.alliantcreditunion.org/bank/visa-signature-card.
Factors we may consider for determining whether and how to change your terms include, but are not limited to, a late payment or an extension of credit that exceeds the credit limit, the frequency and severity of defaults and other indications of risk on accounts with Alliant Credit Union and other creditors. To the extent allowed by law, the new terms will affect all outstanding balances. If we increase your APRs for any reason other than an increase in the Prime Rate, the new APRs will apply only to new transactions you make after we notify you of the change in writing.

Annual Fee: Your annual fee for the card is $99; the first year’s fee is waived. The fee will be charged to your card annually on the 3rd business day of the month following your anniversary date. For example, if your application is approved on April 15, 2019, regardless of activation or first use, your annual fee will be charged on the 3rd business day in May starting 2020. You will incur the annual fee even if you don’t have a balance. The annual fee is subject to change; you will be notified of a rate increase as required by applicable law.

Minimum Payments: The minimum monthly payment is 3% of your balance, or $25, whichever is greater, plus the amount of any prior minimum payments that you have not made. See the Alliant Cashback Visa Signature Card Agreement for complete details. Alliant will also add any past due amount to your minimum payment. If your account charges off, the entire balance is due immediately.

Transferability: This offer is nontransferable and is void to residents of GU, PR, VI and all other U.S. dependent areas.
